

Dermatology & Wellness Virtual Care™

At Elkhorn Dermatology, we believe that healthy, glowing skin and optimal wellness should be accessible to everyone, anytime, anywhere. That's why we've launched Elkhorn Dermatology & Wellness Virtual Care™, a cutting-edge virtual care service that brings personalized medical, cosmetic dermatology, and wellness care directly to your home.

With Elkhorn Dermatology & Wellness Virtual Care™, staying on top of your skin health and overall wellness has never been easier. Whether you're looking for a personalized weight loss, anti-aging plan or tackling frustrating GI symptoms, our **Valeriya Life's WELL WORLD app** is tailored to meet your needs—all while saving time and money. Take the first step toward radiant skin and vibrant health by getting our FREE app today.
Brett Kettelhut, MD

Support Your Wellness and Address Frustrations Like:

- Weight loss challenges
- GI symptoms, such as bloating, diarrhea, or constipation
- Persistent fatigue & sugar cravings
- Acne and rosacea
- Signs of skin aging, inflammation and sun damage.

The First Step in Your Journey

The Well World app is a personal wellness companion that empowers you to:

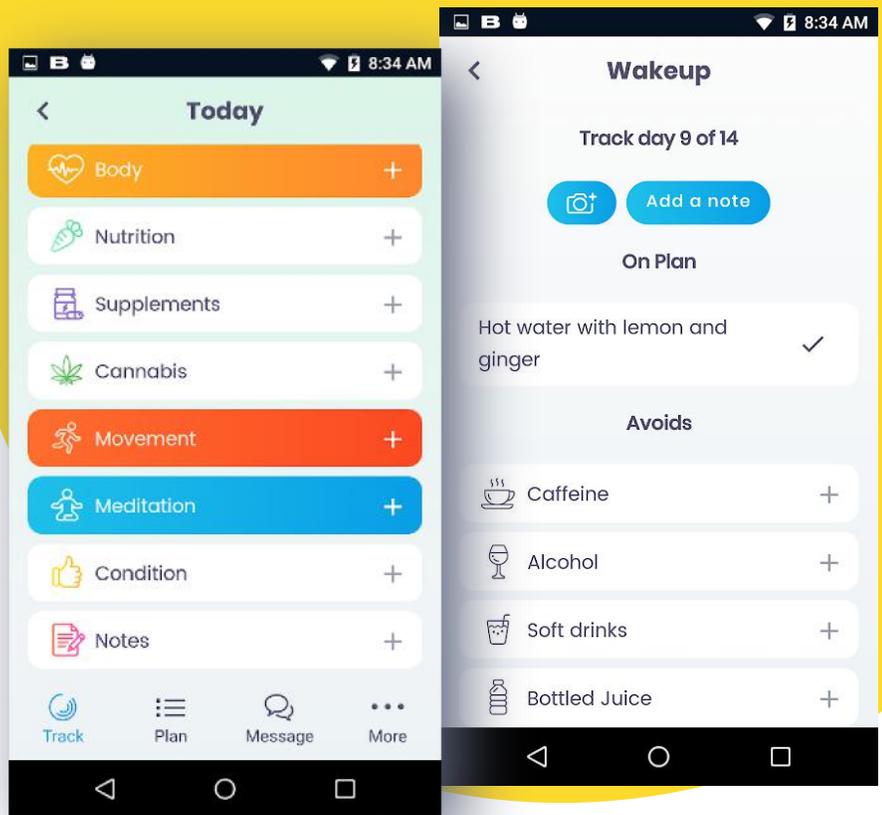

- **Set your wellness goals.**
- **Track your progress:** Monitor food intake, movement, and health changes. Understand your habits and see real improvements.
- **Receive personalized meal plans:** Get custom recipes, shopping lists and tips to reduce inflammation, improve gut health, and build stronger, healthier skin.
- **Get daily reminders and support:** Stay motivated with automated, tailored prompts you can trust.
- **Access your care team directly:** Communicate via secure HIPAA and PIPEDA-compliant messaging for insights, adjustments, or questions.
- **Get our exclusive discounts** for all your supplementss!

Sign up is simple! Share your name, email address, phone, date of birth, and mailing address, and permit us to send your unique app setup link. Once enrolled, you'll receive access to download Valeriya Life's Well World™ app and start your customized program.
SMS: 531-777-2752

"The Well World app provides a secure and convenient channel for communication with your provider, allowing us to address your needs virtually and ensure you receive personalized care anytime, anywhere."

Margaret Matveyev, APRN

Our Virtual Dermatology, Wellness & GI Health Services
